TABLE OF CONTENTS / TABLE DES MATIERES

Recreational Travel: The New Migration — R. I. Wolfe — 1
Machine Plotting of Phytogeographical Data — James H. Soper — 15
Optimal Location of Steel Mills Serving the Quebec and Southern Ontario Steel Market — Emilio Casetti — 27
The Joint Anarchy of "Confidentiality" and Definitional Change — James M. Gilmour — 40
Recession of the Drummond Glacier, Alberta — J. G. Nelson, I.Y. Ashwell, A. G. Brunger — 71
Geography in the Field: A Sample Traverse in South Gloucester, Ontario — A. Coleman, W. E. S. Henoch — 82
The Soviet Forest Resource — Robert M. Bone — 94
Agriculture in the Clay Belt of Northern Ontario — Jon Kent — 117
The Status of Geography — J. D. Chapman — 133
The Columbia River Treaty: Some Lessons and Implications — W. R. Derrick Sewell — 145
Southern Ontario: A View from the West — John Warkentin — 157
Toronto in 1834 — F. H. Armstrong — 172
Downtown Toronto: A Look at an Air Photo — J. Spelt — 184
Analysis of Spatial Association by Trigonometric Polynomials — Emilio Casetti — 199
Cross-Sectional Analysis of Canadian Urban Dimensions: 1951 and 1961 — Leslie J. King — 205
Changes in the Distribution of Cheese Factories in Southwestern Ontario — D. G. Cartwright — 223

ARTICLES

Agriculture in the Clay Belt of Northern Ontario, by Jon Kent — 193
Analysis of Spatial Association by Trigonometric Polynomials, by Emilio Casetti — 199
Armstrong, F. H., Toronto in 1834 — 172
Ashwell, I. Y., *see* Nelson

Bone, Robert M., The Soviet Forest Resource — 94
Brunger, A. G., *see* Nelson

Cartwright, D. G., Changes in the Distribution of Cheese Factories in Southwestern Ontario — 223
Casetti, Emilio, Analysis of Spatial Association by Trigonometric Polynomials — 199
———, Optimal Location of Steel Mills Serving the Quebec and Southern Ontario Steel Market — 27
Cartwright, D. G., Changes in the Distribution of Cheese Factories in Southwestern Ontario — 223
Chapman, J. D., The Status of Geography — 133
Coleman, A., and Henock, W. E. S., Geography in the Field: A Sample Traverse in South Gloucester, Ontario — 82
Columbia River Treaty: Some Lessons and Implications, by W. R. D. Sewell — 145
Cross-Sectional Analysis of Canadian Urban Dimensions, by Leslie J. King — 205

Downtown Toronto: A Look at an Air Photo, by J. Spelt — 184

Geography in the Field: A Sample Traverse in South Gloucester, Ontario, by A. Coleman and W. E. S. Henock — 82

GILMOUR, JAMES M., The Joint Anarchy of "Confidentiality" and Definitional Change 40

HENOCK, W. E. S., *see* Coleman

Joint Anarchy of "Confidentiality" and Definitional Change, The, by JAMES M. GILMOUR 40

KENT, JON, Agriculture in the Clay Belt of Northern Ontario 117

KING, LESLIE J., Cross Sectional Analysis of Canadian Urban Dimensions: 1951 and 1961 205

Machine Plotting of Phytogeographical Data, by JAMES H. SOPER 15

NELSON, J. G., ASHWELL, I. Y., and BRUNGER, A. G., Recession of the Drummond Glacier, Alberta 71

Optimal Location of Steel Mills Serving the Quebec and Southern Ontario Steel Market, by EMILIO CASETTI 27

Recession of the Drummond Glacier, Alberta, by J. G. NELSON, I. Y. ASHWELL, and A. G. BRUNGER 71

Recreational Travel: The New Migration, by R. I. WOLFE 1

SEWELL, W. R. D., The Columbia River Treaty: Some Lessons and Implications 145

SOPER, JAMES H., Machine Plotting of Phytogeographical Data 15

Soviet Forest Resource, The, by ROBERT M. BONE 94

Southern Ontario: A View from the West, by JOHN WARKENTIN 157

SPELT, J., Downtown Toronto: A Look At An Air Photo 184

Status of Geography, The, by J. D. CHAPMAN 133

Toronto in 1834, by F. H. ARMSTRONG 172

WARKENTIN, JOHN, Southern Ontario: A View From the West 157

WOLFE, R. I., Recreational Travel: The New Migration 1

GEOGRAPHICA

BARR, BRENTON M., The Importance of Regions in Analyses of The Soviet Forest Resource: A Reply 234

Canadian Association of Geographers, Graduate Award in Geography 238

Comment on Geographical Field Studies in Secondary Schools, by R. G. PUTNAM 240

DEAN, W. G.: New Documentation Project: Bibliography and Index of Geology Exclusive of North America 241

Geography and the International Biological Programme, by E. J. WILHELM 127

Geography, Space and Planning: A Reply, by JOHN U. MARSHALL 49

HODGE, GERALD, A Rejoinder to John Marshall 53

Importance of Regions in Analyses of The Soviet Forest Resource, The, by BRENTON M. BARR 234

IVES, J. D., Obituary for Frank Cook 190

MARSHALL, JOHN U., Geography, Space and Planning: A Reply 49

New Documentation Project: Bibliography and Index of Geography Exclusive of North America, by W. G. DEAN 241

Obituary for Frank Cook, by J. D. IVES 190

PUTNAM, R. G., A Comment on Geographical Field Studies in Secondary Schools 240
Rejoinder to John Marshall, by GERALD HODGE 53
WILHELM, E. J., Geography and the International Biological Programme 127

REVIEWS
